

CIS Force.

The Complete Protection Package
for the Construction Industry

Accountax 

HMRC are becoming increasingly vigilant. Now is the time to be proactive to ensure that your tax affairs are in order to avoid getting stung. As a contractor you are expected to be fully compliant with the intricacies of status legislation, and mistakes can be damaging for your business.

Accountax is one of the UK's leading experts on status issues, and through our experience, we have developed a ground breaking service, CIS Force, which is tailored to protect you from the minefield of HMRC legislation.

CIS Force is a retainer service which combines a number of our individual services into one comprehensive package to give you complete peace of mind.

We offer two packages (scaffold or bricks and mortar) allowing you to choose the level of protection your company requires. CIS Force is tailored to the number of subcontractors you engage; for more details or a bespoke quote please call us to discuss.

What our clients think...

"Just a quick note to say thank you for a great service. It's great to speak to someone who took their time to explain rather than trying to get me off the phone. This service alone is worth the annual protection plan which I shall now purchase."

"Thanks for everything you did for us in fighting our case with the Revenue. Without your help we would have been facing a hefty bill. Your work is very much appreciated."

Expert services

Bespoke Contract for Services

Specifically drafted in a way that is easy for parties to understand, covering all the fundamental aspects of status. We tailor this contract to ensure every detail is applicable to your business operation and commercial needs.

Online status monitor

Our simple to use online questionnaire provides you with an accurate and reliable opinion as to whether your subcontractors are self-employed. You are entitled to unlimited use of this vital tool with either the scaffold or bricks and mortar packages.

Telephone advice

Our specialist tax consultants are available on a daily basis to assist and advise on any CIS or status queries, or just simply to give you peace of mind where you are uncertain about something.

Quarterly newsletter

Providing updates on all the recent HMRC, legislative and case law developments in bite size chunks written in straight talking, plain English.

Email bulletins

Immediate bulletins on up to date changes as and when they happen - keeping you ahead of HMRC.

Initial meeting with status review

We will come to your premises and review all your current contracts and procedures. We then provide a comprehensive report detailing all the areas covered and any recommendations to strengthen your company's position.

Annual health check

Annual spot check on your company's procedures and administration to ensure you are always prepared for an HMRC inspection.

Telephone advice on employment law issues

Day to day advice on general employment law issues, provided by our team of employment law consultants.

HMRC status enquiry protection

Cover for all of our professional fees to argue your case with HMRC up to and including First-Tier Tribunal representation, ensuring that you need not worry if HMRC open a status enquiry into your business.

CIS penalty protector

HMRC are imposing draconian penalties for failing to operate the CIS scheme correctly. Accountax will conduct an appeal against HMRC on your behalf should you receive a penalty notice.

Gross Payment protector

In the event that HMRC remove the Gross Payment Status of your company, Accountax will represent you in your appeal against the decision.

Seminar places

Two seminar places at any of our renowned nationwide seminars.
