

Status Force.

Avoid the pitfalls
of HMRC legislation

HMRC are becoming ever more vigilant. Now is the time to be proactive to ensure that your tax affairs are in order to avoid getting stung. As a subcontractor you are expected to be fully compliant with the intricacies of status legislation, and mistakes can be damaging for your business.

Accountax is one of the UK's leading experts on status issues, and through our experience, we have developed a ground breaking service, Status Force, which is tailored to protect you from the minefield of HMRC legislation.

Status Force is a retainer service which combines a number of our individual services into one comprehensive package to give you complete peace of mind.

We offer two packages (Status Protect and Protect Plus) allowing you to choose as much protection as your company requires. Status Force is tailored based on the number of subcontractors you engage, for more details or a bespoke quote please call us to discuss.

What our clients think...

"Just a quick note to say thank you for a great service. It's great to speak to someone who took their time to explain rather than trying to get me off the phone. This service alone is worth the annual protection plan which I shall now purchase."

"Thanks for everything you did for us in fighting our case with the Revenue. Without your help we would have been facing a hefty bill. Your work is very much appreciated."
